

Closers Harry Bosch Michael Connelly Grand

Chapter 1 : Closers Harry Bosch Michael Connelly Grand

Harry bosch has retired from the lapd and is trying to drum up business for his new career as a private investigator. he lands a case, probably the last one he wants, to investigate the death of good friend terry mccaleb who was an fbi agent before his own retirement. My husband and i recently watched the amazon series bosch based on michael connelly's harry bosch books. i thought it was excellent and i highly recommend it to anyone who enjoys that sort of thing.
