Chapter 1 : Jesus Priest Perrin Nicholas Baker Academic

"nicholas perrin's latest book takes a fresh look at the concept of jesus as temple. to do this, he reviews jesus' relationship to the jerusalem temple; the early christian community's idea that jesus is the new temple, of which his followers are a part; and how this idea may well be rooted in the teaching of jesus himself. The society of jesus (sj; latin: societas iesu) is a scholarly religious congregation of the catholic church which originated in sixteenth-century spain. The term historical jesus refers to attempts to reconstruct the life and teachings of jesus by critical historical methods, in contrast to christological definitions (the dogmatic christ) and other christian accounts of jesus (the christ of faith). it also considers the historical and cultural context in which jesus lived.
