The romantic period of john keats - the romantic period was an expressive and intellectual movement that originated in europe towards the end of the 18th century and peaked in the 1800s-1850s. Thought for the week inspirational thoughts, motivational quotes, and wisdom from around the world a new thought each and every week. underlying these thoughts are my personal values and my personal philosophy which encompass difference and diversity, fun and friendship, optimism and openness, trust, tolerance and teamwork, creativity, learning

Ontological arguments are arguments, for the conclusion that god exists, from premises which are supposed to derive from some source other than observation of the world—e.g., from reason alone. A posteriori: in rhetoric, logic, and philosophy, a belief or proposition is said to be a posteriori if it can only be determined through observation (palmer 381).
