The palmer method of business writing - a series of self-teaching lessons in rapid, plain, unshaded, coarse-pen, muscular movement writing for use in and legible handwriting is the object sought Story time just got better with prime book box, a subscription that delivers editorially hand-picked children's books every 1, 2, or 3 months — at 40% off list price.

The palmer method of business writing: a series of self-teaching lessons in rapid, plain, unshaded, coarse-pen, muscular movement writing for use in all schools, public or private, where an easy and legible handwriting is the object sought; also for the h (paperback) In the palmer method, freedom of movement is the foundation, and, through a constantly repeated series of rapid drills, the application of movement becomes a fixed habit of the learner. under this plan the pupil's first attempt is naturally crude, but every drill practiced in strict accord with the printed instructions tends to add grace and accuracy to his work. the sure result is a American cursive is a practical system of handwriting based on the palmer method and is great for everyday use like writing in your journal, writing a letter, or even writing law school exam answers. what's great about american cursive is you don't need a fancy calligraphy pen, fountain pen, or quill. it works great for pencils, ballpoint pens, gel pens, etc. (we'll be doing a series of Peterson includes a transition between printing and cursive—it's called slant print. i don't have a sample to show here, but did include links to the site. peterson's theme is "the difference is rhythm." the cursive letters end without a curve, much like the italic styles. this program includes a depth of information, prompts and help. it seems like a lot of work, to me. Developed by austin norman palmer (1860-1927) in the 1870s, the palmer method of penmanship was both a style of handwriting and a pedagogical method for teaching the practice of penmanship. the handwriting produced by this method was italic, cursive writing, which curtailed much of the ornamentation
