Chapter 1 : Scott Crider Office Assertion Art Rhetoric

A frivolous argument or inflated claim is often dismissed with the reply, "that's just rhetoric!" but as Scott Crider explains in the office of assertion, the classical tradition of rhetoric is both a productive and a liberal art. In "the office of assertion: the art of rhetoric" Scott Crider has written a brief, elegant text on a topic all too often treated esoterically. He adjures readers, in a reference to Wendell Berry, to 'stand by' their words, proceeding to demonstrate the way in which clarity and conviction, logos and lexis, can be welded together in 'soul-leading.' A frivolous argument or inflated claim is often dismissed with the reply, "that's just rhetoric!" but as Scott Crider explains in the office of assertion, the classical tradition of rhetoric is both a productive and a liberal art. Scott Crider. Scott Crider teaches in the English department at the University of Dallas. His book, *The Office of Assertion: An Art of Rhetoric for the Academic Essay*, is intended to provide an introduction to "the classical art of rhetoric and composition". While providing this introduction, Crider specifically seeks to argue that the office of assertion has become an indispensable resource for college, high school, and homeschool students everywhere. In this short, practical guide to the art of persuasive writing, Professor Scott Crider reclaims the classical tradition of rhetoric while highlighting the most recent discoveries concerning the writing process.
