### [PDF] The Pendulum Paradigm Universal Publishers

Beating of a tattered flag in a winter's gale; the stately rise and fall of ocean tides. likewise the numinous "tock" of a grandfather clock, repeating in a darkened room on a sleepy sunday evening, reminds us of the steady ebb and flow of time. movement surrounds us, and our lives dance to its ever-changing tune. deep down, however, there is an underlying order, at least of sorts, and ...
